Three Strands - Westview's Mental Health Community

Hello Everyone! Are you interested in doing a little check-up on your mental health? 3 Strands is presently watching "A Mentally Healthy Faith" with Dr. Henry Cloud via RightNow Media. We highly recommended it!! Dr. Cloud's matter-of-fact way of delivering this thorough, Bible-based and realistic material makes it super easy to watch. It's full of wisdom and practical advice from his 30+ years as a Christian psychologist. I can't say enough about it. It's free when you have a RightNow account through Westview.

Click here to check it out for yourself or someone you know:

Ingrid Cabral

We are sharing the very sad news that our dear friend Ingrid passed away last week. We will miss her in the life and family of our church, but are comforted knowing she is with the Lord. Ingrid was a leader for years in our children's ministry, and a leader for many years in the the Bible Study Fellowship group (BSF) that meets weekly at Westview. Please pray for her family, and for those who were especially close to Ingrid.

The funeral service will be held on Sunday May 5th, at Rideau Memorial Gardens on boul. des Sources: visitation will be from 1:00 pm to 3:00 pm, with the service at 3:00 pm.

Praying for our church family, in their grief

Please be praying for the Lord's comfort for Claire & Evange, Toula, Michael & Kaitlin, Tina & Xavier, Manoli & Jacqueline, their children, and others of the Pinios, Destounis family; as Claire and Toula's dear mother, Mary, passed away this week into the presence of the Lord.

Immigrant Assistance - a Specific Need

So as to obtain a work permit from the government, and be able to provide for her and her son's day to day needs... a woman who arrived to Canada in the past year is in need of a job offer to show the government that she will be employed. She can't work without a work permit, and she can't get a work permit without a definitive job offer. Many companies do not want to go through this extra work/step alongside immigrated people to help with this, so it becomes difficult for those newly arrived to Canada to work through what is a "stuck" situation. She is open to many areas of work, but is especially interested and experienced in the area of care giving.

If you, or someone you know would have a company, or a contact with a company that could provide a full time job for her; please contact **Randy Trimm** or **Jeff Simunic**. We can easily provide her CV. Thank you so much.
